CASE STUDY

In practice

Challenge

A fast-growing e-commerce group was signing supplier contracts without review, had no trademark on its own brand, and faced a regulatory notice it didn't understand.

Our solution

Yess Legal Advice ran a 360° legal audit, registered the group's trademarks, rebuilt its contract library and took over regulator correspondence under a monthly retainer.

Delivery phases

1. Discover

Full legal audit — entity structure, licences, contracts, IP and pending notices.

2. Design

A remediation roadmap ranked by risk, plus a standard contract and policy library.

3. Build

Trademark filings, redrafted agreements, compliance calendar and board resolutions.

4. Launch & grow

Monthly retainer counsel, quarterly compliance reviews and on-call dispute support.

06 TOOLING

RJSC e-Filing, DPDT IP Portal, Contract Lifecycle Mgmt, e-Court Services

08 TESTIMONIAL

Client voice

“Yess Legal Advice rebuilt our entire contract library and had our trademarks filed within weeks. For the first time, legal feels like a growth partner — not a cost centre.”
